

Face Forward

Give your complexion a refresh with these 3 clean beauty products designed to restore, revive and protect tired or aging skin.

BY LAURA SCHOBER

SMOOTH CANVAS

Juice Beauty Stem Cellular Resurfacing Micro-Exfoliant uses certified-organic jojoba and grape seed microparticles, fruit stem cells and clay to even out and soften skin. The grand reveal leaves fine lines and wrinkles less noticeable and skin more supple. **\$55, juicebeauty.com**

SUN SAFE

For use under mineral sunscreen, Goddess Garden Under-the-Sun Pre-Sunscreen Serum gives skin a boost of vitamins. Its cocktail of glow-inducing ingredients include baobab, rosehip and marula oils as well as the antioxidant lycopene for firming. **\$18, goddessgarden.com**

ANTI-WRINKLE CREAM

With its youth-boosting trio of squalane, hyaluronic acid and citrus stem cells, C2 California Clean Citrus Stem Cell Intense Moisture Lock Creme aids in collagen growth while locking in moisture and protecting skin from free radicals. **\$115, c2caliclean.com**
