

# Your Eco-Friendly Kitchen

In honor of Earth Day on April 22, reduce your carbon footprint with these environmentally conscious products.

BY LAURA SCHOBER

### WOK THIS WAY

The GreenPan Lima Hard Anodized Nonstick Open 12½-Inch Wok has a PTFE- and PFOA-free Thermolon Rocks ceramic coating that's more resistant to abrasion. It retains heat well, making it great for crispy stir-fries and seared meats. **\$50, bedbathandbeyond.com**

### A BETTER BRUSH

Scrub and clean dishes to a sparkling finish – sans the chemicals. The Full Circle Be Good Dish Brush is outfitted with a sustainable bamboo handle and BPA-free recycled plastic bristles. **\$6, fullcirclehome.com**

### CULINARY CLASSIC

Bamboo is 16% harder than maple, meaning this handcrafted Totally Bamboo Kauai cutting board will resist knife marks over time. Bonus: This board also does double duty as a serving tray. **\$20, totallybamboo.com**

### VERSATILE VESSEL

Constructed of double-wall vacuum-insulated stainless steel, the Klean Kanteen 16 oz Insulated Food Canister keeps foods hot or cold for up to 8 hours. **\$37, kleankanteen.com**

### CUT BACK ON PLASTIC

Made from an organic cotton and hemp blend that absorbs excess moisture and restricts airflow, the machine-washable ChicoBag Produce Stand Natural Fiber Produce Bags come in a pack of three. **\$15 (use code CLEANEATING for 15% off your entire order), earthhero.com**

### NATURE'S TWINE

If You Care Certified Organic Unbleached Kitchen Twine is composed of organic unbleached cotton. Use it for trussing meats and tying sachets. **\$3, ifyoucare.com**

### IN THE BIN

The 1-gallon Ceramic Kitchen Compost Bin by Natural Home Brands comes with a lid with holes to allow air to circulate (so your food scraps don't sit in stagnant air) and a charcoal filter to absorb odors. **\$35, naturalhomebrands.com**

### PRETTY IN PINK

Prepare to turn heads with the eye-catching Sunnylife Eco Lunch Box Flamingo. It's made from bamboo and contains a silicone band to hold everything together. **\$15, sunnylife.com**

### editors' pick

#### CAFFEINE FIX

Help reduce the number of disposable coffee cups that end up in landfills by taking the Joco 16 oz Reusable Glass Coffee Cup with you to your favorite café, or use it to take your homemade java to go. **\$29, eartheasy.com**

### WASTE-FREE WRAPS

Designed for wrapping foods such as cheese and apples or for covering leftovers, the Katherine Homes Khala Cloths combo pack includes four biodegradable zero-waste beeswax wraps that can be used again and again. **\$21, khalacloths.com**
